

Module 3 Class Activities

Introduction to Autism Spectrum Disorders

You will need to open other files from the attachment tab to complete some of these activities. You will also need access to the internet to view videos from other websites.

Prognosis

- ➤ Open the PDF file "Prognosis" and read it.
- ➤ Go to this ABC website and watch the video http://abcnews.go.com/video/playerIndex?id=5373934
 - o Tip: pause the video until it has downloaded to ensure smoother viewing
- List <u>5 things</u> you learned about the prognosis for someone diagnosed with an Autism Spectrum Disorder.

Inheritance

- Open the PDF file "Inheritance" and read it.
- List 3 things you learned about how ASDs run in the family

Autism Perspectives

People living with Autism have very unique experiences. Click on these links to watch You Tube videos showing the perspectives of some individuals with Autism and their families.

Living With My Autistic Son http://www.youtube.com/watch?v=Z R CUxrZ8I

 What are 2 things this dad describes about his experience having a son with Autism?

> I'm Autistic

http://www.youtube.com/watch?v=hKzY3u_cUhk
